

“It is not the strongest of the species that survives, nor the most intelligent; it is the one that is most adaptable to change.”

Charles Darwin

“Change starts when someone sees the next step.”

William Drayton

Who we are

BMA is a group of highly experienced consultants who specialise in assisting their clients boost performance and reduce risk through more effective controls and knowledge of their businesses and their markets.

The BMA Group has been assisting its clients for more than 14 years and its two Principals each have more than 25 years experience in these areas.

What we do

We work with our clients to identify areas for improvement in corporate performance management, risk management and business controls.

The areas we review include:

- Business planning and performance management framework
- Budgeting and forecasting
- Management and financial reporting

- Business and market analysis
- Risk assessment
- The information base to support these activities
- The processes involved in undertaking these activities

If we identify areas for improvement, we make practical recommendations for our clients to achieve best practice in these areas.

We can assist further by designing and developing more sophisticated tools for supporting corporate performance and risk management.
